MEMO ENDORSED

Dear Judge Failla:

I write in response to, and to clarify, Plaintiffs' letter motion requesting an extension of time to submit proposed findings of fact and conclusions of law in the above-referenced matter. *See* Dkt. 71. Defendants' consent was conditioned on the understanding that they would receive any extension granted to Plaintiffs; this is consistent with Defendants' understanding that the parties' post-trial briefing is intended to be simultaneous. Defendants therefore respectfully request that they also receive any extension of time that is granted to Plaintiffs.

I have discussed this matter with Plaintiffs' counsel and he does not oppose this clarification.

Respectfully submitted,

/s/ Thomas J. Giblin
